PRICING DEFINITIONS

All pitches are priced inclusive of two adults. For extra people the additional adult/child fee applies. Age is that on day of arrival.

A tent pitch is classed as 6x4 metres - if your tent is larger than this please call us. Unfortunately you may need to book two pitches if a larger pitch isn't available.

PITCHES

Serviced Pitches: There are 73 grass pitches with electrical hook up points. These are within 100 metres of the shower block, water and waste/chemical toilet disposal areas.

Non Serviced Pitches: There is a small tent area located 100 metres from the shower block. Occasionally we may use a Rally Field situated 300 metres away from the shower block. This has water, waste water and a chemical toilet disposal area.

SWIMMING

Campsite users get 50% off general swimming and adult only sessions to the outdoor pools. This is only applicable during your stay, is subject to pool availability and can be used by adults and by children aged 2 and over. Under 2's are free and do not need a ticket. **Camp site users are reminded that children under the age of 11 years old come under our safe swim policy and will need parental supervision in the water.**

A PARK FOR ALL SEASONS!

Jubilee Park is a jewel in Lincolnshire's crown, attracting national interest with our successful open air heated pools and innovative enterprising spirit.

Our open air pool is one of the oldest of its type in the country, first opened in 1935. Today it's heated to a luxurious 29°C. It shares the park with tennis courts, croquet and bowls lawns and a newly refurbished play park for the children. Cricket matches are held in the adjoining field for enthusiasts to sit and enjoy.

The grounds of Jubilee Park are a pleasure to walk through with seating areas, rose and flower beds and a sensory garden should you feel like peace and quiet. You can enjoy drinks, snacks and ice-cream at our cafe. We have ample parking and many sporting and social events throughout the year, the largest being our famous 1940's weekend in July. This attracts visitors from all over the country, many dressed in 1940's style, who come to enjoy the period music and entertainment.

THE SETTING

Woodhall Spa is set in the heart of Lincolnshire on the edge of the Lincolnshire Wolds. The historic city of Lincoln is only 20 miles away and the popular east coast resort of Skegness just 30 miles.

As its name implies, Woodhall Spa has many woodland and country walks. The long distance Viking Way runs through the middle and there are long off-road stretches of bridleway and cycle track along the former railway line from Lincoln and from Woodhall Spa to Horncastle.

There is the unique Kinema in the Woods, Woodhall Spa was the home of the famous Dambusters during the 2nd World War. Today historic aircraft frequently fly over on their way to and from the Battle of Britain Memorial Flight at nearby RAF Coningsby. Lincolnshire is also the home of the famous Red Arrows.

YOUR SUPPORT

Run by the local community for all to enjoy, our lovely little park is managed by the charity Jubilee Park Woodhall Spa Ltd and is entirely self-supporting with no public funding.

To find out more about the park and how you can help us continue to thrive, please download an Information and Supporters Pack from www.jubileeparkwoodhallspa.co.uk or pick one up in the local library or the park office.

SWIMMING

Our heated open air pool (average temperature 29°C (86°F)) is open every day throughout the season - this year from the 6th April to the 22nd September. The busy timetables (right) include early morning adult only swims, swimming lessons, aquatics and after work swims as well as general swimming sessions. We have a number of midnight swims throughout the season - Please make sure you book in advance as these usually sell out. The pool can be hired for private parties (max 80 people) where you can also enjoy our fun inflatables. We have a slide, paddling pool and fountain feature for our younger visitors. We welcome swimmers of all abilities - carers go free. On Tuesdays seniors can swim for half price right through the season.

BOOK ONLINE

You are now able to book online, in advance, to avoid disappointment in hot weather and busy periods. This applies to general swimming and inflatable sessions as well as some special events such as midnight swims. The £1 booking fee also allows you to queue jump if you arrive early enough - in a general swimming session that starts at 10am, for example, you can go straight in if you arrive by 11am. After that your ticket is valid, but you have to wait your turn in the queue. Please bring your booking confirmation on your phone or a printout. **Please note: We regret pre-booked tickets are non-refundable and cannot be swapped for other dates or times.**

SAFE SWIM POLICY

- We want to ensure you have an enjoyable and safe swim.
- Children under 2 must be closely supervised at all times by an adult (aged 16 or over) on a 1 adult to 1 child basis.
 - Children between the age of 2 and 7 must be closely supervised at all times in the pool by a responsible adult (aged 16 or over) at a ratio of 1 adult to 2 children.
 - Children aged 8 to 11 must pass a swim test before they can swim without adult supervision in the pool! Please ask for details at the pool reception.
 - Closely supervised is defined as the adult being in the water, in the same pool, in suitable swimwear.
 - If you are unsure on our safe swim policy please check before coming. The last thing we want is for anyone to be disappointed that they can't use the facility.

Age Concessions: Age on date of payment.

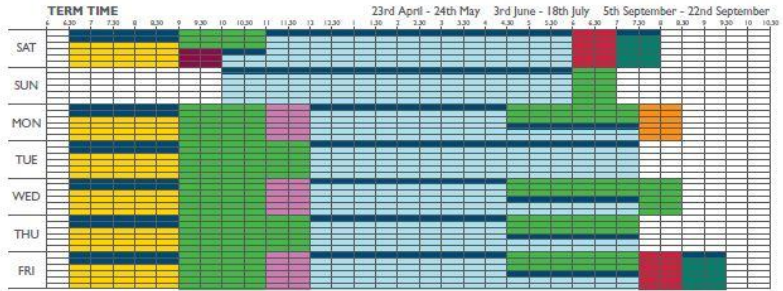

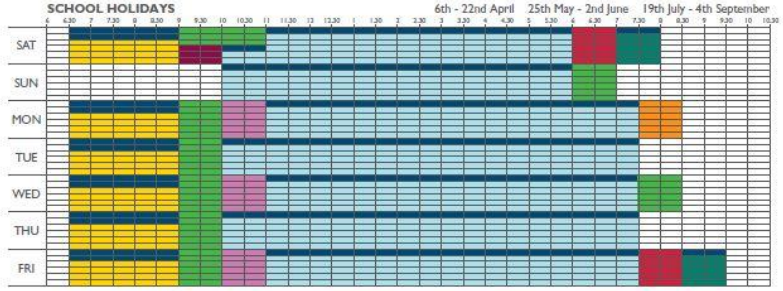

Priority of Entry: If there is a queue at reception, Season Ticket holders may go to the front and alternate with those queuing to pay.

Swimming Lane: There will be a swimming lane in during all general swim and adult only sessions (does not include Midnight swims)

Special Sessions:

- Aquation:** Supervised by a qualified triathlon coach, includes a swim in the pool and then a run around the village of Woodhall Spa. For more info please contact Doug on douglaseke@btinternet.com
- Aquatics:** Exercise to music with our qualified instructor.
- Pool Hire:** Swimming clubs/schools or other organisations may use up to two lanes of the pool during adults only or general swimming. Please ask at the pool reception for details of these times.
- Deep Water Aquatics:** Get your body moving to a beat whilst having an energizing workout in water. A full body workout and build core strength as the name suggests in the deep end of the pool and requires the use of 'buoyancy aids(provided)', so suitable for the more confident swimmer.
